PROPERTY DESCRIPTION

2005 build 2665 square foot home with family room and formal living room/dining room. Cherry cabinetry in the eat-in kitchen topped with beautiful solid surface counters. Oversized undermount stainless sink with pull-out faucet is conveniently located in the kitchen island with breakfast bar. Black appliances! The cherry wood continues in the bathrooms, the laundry room, the built-in shelving in the upstairs hall, and also on the beautiful cherry and wrought iron staircase banister. Central vacuum to use on the never-been-lived on, upgraded, neutral carpet (installed 1/10). Professionally painted in neutral colors 1/10). Satin nickel fixtures and lighting throughout (installed 1/10). Landscaping professionally redone 1/10 with fresh sod and plants in the green back yard, and fresh plants and easy-care gravel in the front yard. Backyard has a covered patio area, as well as an extended uncovered patio area with built-in bar/ barbeque area. Separate conversation area with fire pit too! 5 bedrooms and 3 full baths (one is a jack-and-jill) upstairs, additional one bedroom (office?) and 3/4 bath downstairs. The roomy master bedroom has a large walk-in closet with built in shelving. The master bath has his-and-hers sinks, separate shower and tub, two medicine cabinets, and a separate water closet. Both the master and family room are pre-cabled for a flat screen TV. Family room is also pre-wired for surround sound. Cherry faux wood blinds.
