PROPERTY DESCRIPTION

COMING SOON!!! Home is being professionally painted and cleaned. This spacious home sits across from a greenbelt with mountain views to the east. Gorgeous cherry hardwood floors in the living room, den and master. Master has a walk-in closet, bath with separate shower and tub, his and hers sinks, travertine flooring, separate water closet, and gorgeous bronze fixtures. Master is prewired for speakers as is the family room. The kitchen is beautifully done with clean white cabinetry and tile counters. Bead board walls complete the homey feel. Large pantry holds all of your munchies and the convenient kitchen island with chrome pull-out faucet and breakfast bar faces out to the family/great room. Family/great room has plantation shutters, a fireplace with cherry wood and tile surround, and a built-in entertainment niche. Den/office includes built-in desk and bookshelves and plenty of room for seating. Bronze switch plates, cherry baseboards and raised panel doors give this home an air of quality that you can't help but appreciate. Pebbletec play pool surrounded by palm trees has a water feature and is surrounded by cool decking. A covered patio (always shaded on the north side) and an additional travertine patio area plus the perfect amount of grass make this home entertainment and relaxation ready.
