PROPERTY DESCRIPTION

Check out this roomy 3598 square foot, 6 bedroom, 4.5 bath! Attached 2 room Casita has it's own air conditioning unit and thermostat, and own ¾ bath. Use it for guests, as an in-law suite, or even as an office with a waiting room or conference room. The kitchen has gorgeous glazed maple cabinetry, staggered and with crown molding detail. Extra deep double stainless sink with pull out faucet is mounted underneath the slab granite with beveled edge. Matching GE stainless steel appliances include a five burner gas range, double oven, built-in microwave and dishwasher. Light, bright eat-in area has a view of the pool and mountains to the rear. Got wine? Keep it at the built-in wine bar including built-ins for both your bottles and your glassware, and a stainless wine fridge. Formal living room is two stories tall with a gorgeous oak and wrought iron banister and arched upper level windows that keep it feeling open. Family room has built-in fireplace, TV niche, and display shelving. The picture window allows you to see the mountaintops as well as the beehive fireplace outside. Covered patio includes a built-in stainless grill set in a tile-topped wrap-around bar. Pebbletec play pool with water feature is surrounded by palm trees. Master bedroom has an arcadia door which open to a 19x10 balcony area facing the mountains. Gorgeous master bath has his-n-hers sinks set into travertine counters, separate garden tub and travertine & glass shower. L-shaped master closet is a walk-in with ample built-in shelving. The loft area upstairs gives everyone a place to congregate, while the bedroom placement maintains a sense of privacy. Laundry room is also upstairs and includes a mud sink and built-in cabinetry. This home is amazingly detailed and well thought out! Please contact us for "Features & Upgrades" list for additional properties of this exceptional home, for additional pictures, or for showings at your convenience.
